Summary

IT expert with over 2 years of experience specializing in web programming with PHP language

With the passion of programming as a child and 2 years of experience, I am confident and dare to face challenges on the path I choose.

Every single line of code I take care of it very well, I still remember clearly the saying of the leader: if you did, do not leave a pile of rubbish for others to clean up

Experience

2018 - 2020

PHP Developer

- With 2 years of experience, I have provided many clients with quality products such as shopping cart online, posting, admissions management software.

Certifications

2020 - 2021

PHP Certificate
